FINEPOINT TECH

Partner Benefits

Enhanced Ease-of-Use

FinePoint focuses on recommending, designing, and programming AV technology solutions that are the most powerful yet easy-to-use systems available.

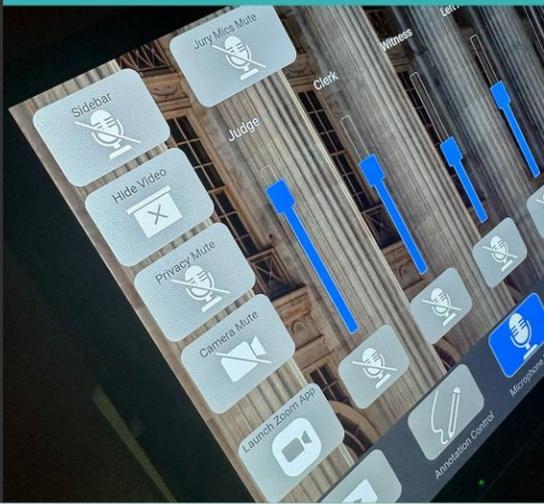

System Design You Can Depend On

We design and support mission-critical AV systems that ensure uninterrupted operation and long-term functionality that reduce the risk of technical disruptions to proceedings.

Independent Perspective

Having an expert technology partner who is independent of any hardware manufacturer or integrator provides a unique perspective and allows for unbiased consulting.

Court Recording Solutions

NC NORTHLAND
& Companies

**Modern. Reliable.
Courtroom-Ready.**

Outdated tech shouldn't stand in the way of justice.

Northland & Companies, in partnership with Liberty, delivers powerful courtroom recording solutions that help courts modernize without compromise. Liberty Court Recorder is a robust, PC-based audio/video recording solution built for today's courtrooms-whether in-person, remote, or hybrid.

- ▶ **Multi-Channel Audio & Video Recording:** Capture up to 32 audio channels and 4 independent video streams-perfect for isolating speakers and ensuring transcription accuracy.
- ▶ **Hybrid & Remote Integration:** Liberty's Virtual Courtroom and Remote Agent tools record each participant on a separate channel, whether they're in the courtroom or joining remotely.
- ▶ **Real-Time Monitoring & Alerts:** Visual audio level displays, confidence monitoring, and low-volume alerts ensure nothing is missed.
- ▶ **Secure & Compliant:** End-to-end encryption meets NIST standards, with clerk-controlled access and document sealing for sensitive content.
- ▶ **Bookmarking & Notes:** Embed cue points and annotations directly into recordings for fast review and streamlined transcription.
- ▶ **Flexible Playback & Storage:** Play recordings on Windows, Mac, Android, and iOS. Save to local drives, networks, or external media-no tapes required.
- ▶ **Mobile & Portable Options:** Laptop configurations available for depositions, off-site hearings, and overflow courtrooms.

**Your trusted partner for voice
and video recording solutions**
